

## Speaker Profile: Martin Hall

Martin Hall is the Director of the Food Science Division at Campden & Chorleywood Food Research Association and has overall responsibility for the departments of Consumer & Sensory Science, Agriculture, and Chemistry & Biochemistry.

Martin has over 30 years of experience, and has published extensively, across a wide range of food science subjects including food composition, chemical and physical contaminants, quality defects, and safety and quality management systems.

Martin has coordinated several multi-national projects, including EU, UN and UK LINK funded research and consultancy. He also has company responsibility for compliance with Health and Safety Regulations.
