

Speaker Profile: Effie Tsakalidou

Effie Tsakalidou received the Diploma in Chemistry from the Aristotle University of Thessaloniki, Greece, in 1980. In 1981 she moved to Germany for post-graduate studies with a scholarship from the “A.S. Onassis” foundation. She received her PhD degree in Biochemistry from the University of Cologne, in 1986. In 1987, she joined the Agricultural University of Athens, Greece, as a Researcher in the Laboratory of Dairy Research. Since 2008, she is a Professor of Food Biochemistry in the Department of Food Science and Technology.

Her research interests lie in the field of lactic acid bacteria, with emphasis on physiology, metabolism, taxonomy and technological performance. She has co-authored over 60 journal papers in these areas. She is the coordinator of a number of national and European research projects, referee / member of editorial board in scientific journals in the areas of Food Biochemistry and Microbiology, and member of scientific societies.
